Summer Basketball Leagues**

This league is open to players ENTERING : 7th, 8th, AND 9th GRADES!

Dear Participant:

Welcome to the 2010 Mark Kiper Memorial Junior High Summer Basketball League. This league was designed to give you the opportunity to improve your basketball fundamentals in an organized setting against the best competition in the area.

This league also emphasizes sportsmanship by placing players from different schools together and letting them get to know each other. The hope is that this feeling of good will is then carried on through each players remaining school years.

Each player will receive a league Jersey to be worn for each game and the league Champions will receive special recognition!
